BMW Ultimate Service™

A suite of premium benefits that are included at no cost with all new BMW Vehicles.

4 Years/50,000 Miles Warranty	Included
4 Years/50,000 Miles Maintenance Program	Included
4 Years/Unlimited Mileage Roadside Assistance	Included

This is a special option, requiring special consideration. Please discuss your customized configuration with your preferred BMW dealer. Your order may take a few more days, but we will be happy to build it exactly the way you'd like it.

Important Disclosures:

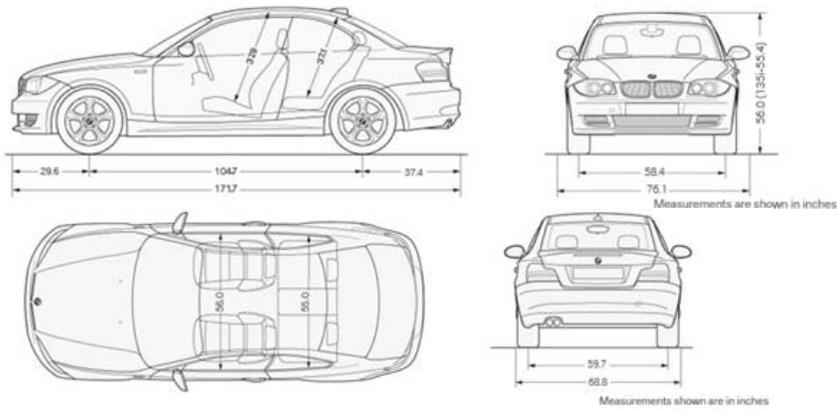

Actual prices and available options are subject to change and may vary from those listed here. All the illustrations and specifications contained in this website are based on the latest product information available at the time of posting. BMW of North America, LLC reserves the right to make changes at any time, without notice, to any content, including, but not limited to, in colors, materials, and equipment.

All figures presented are estimates only. Actual selling price may vary.

Total MSRP excludes all taxes, title/documentary fees, registration, tags, BMW center preparation charges, BMW center installed options, insurance, certificate of compliance or non-compliance fees, and finance charges. Prices may vary by BMW center. Please see your BMW Center for details.

To order Original BMW Accessories, contact your local BMW center. All prices are suggested retail prices and are subject to change. Actual prices may vary and depend upon BMW center. Please note, BMW Accessory prices DO NOT INCLUDE taxes, installation or painting, which may be required. Accessory costs of your configured vehicle ARE NOT INCLUDED in this site's payment estimator calculations. Check with your authorized BMW center for complete information, availability and installation costs.

Brakes

Diameter - Front/Rear	13.3/12.8 inch
-----------------------	----------------

1. Top speed limited electronically.
2. BMW AG test results. BMW urges you to obey all posted speed laws and always wear safety belts.
3. EPA-estimated figures are for comparison purposes only. Your actual mileage will vary, depending on speed, driving habits, trip length, and driving conditions; actual mileage may be lower.

Figures in () apply to vehicles with automatic transmission, if different from manual transmission.

Figures in [] apply to vehicles with Sport Package or M Sport Package with increased top speed limiter.

Owner Benefits

Owner Benefits

When it comes to cost of ownership, BMW owners are in an enviable position. Because when you buy a 2011 BMW, you'll pay absolutely nothing for the industry's most comprehensive suite of premium vehicle services, including maintenance, for the first 4 years or 50,000 miles, whichever occurs first.

While other vehicle owners may pay hundreds of dollars out of their pockets – in some cases, over a thousand dollars – during the first 4 years of ownership for typical maintenance repairs, BMW owners will not. After all, a vehicle this extraordinary deserves a service plan to match.

To illustrate the true cost of ownership** versus the competition, refer to the data below, as provided by Edmunds.com:

Vehicle	True Cost of Ownership
BMW 135i Coupe	\$0
2010 Mercedes-Benz SLK-Class	\$2,044

All BMW owners with eligible vehicles enjoy the following no cost benefits:

- **New Vehicle Limited Warranty:** your warranty covers defects in materials or workmanship for the first four years or 50,000 miles, whichever comes first, so you can rest assured your BMW will perform as expected.
- **BMW Maintenance Program:** One of the most comprehensive maintenance programs in its class, covering all factory-recommended maintenance services during the New Vehicle/SAV Limited Warranty Coverage Period, as well as specific items that require replacement due to normal wear and tear - such as brake pads, brake discs and wiper blade inserts.
- **Unlimited-Mileage Roadside Assistance:** receive Roadside Assistance 24 hours a day, 365 days a year for the first four years of ownership, without any mileage limitation.

If you select the Premium Package or opt for the BMW Assist™ and Bluetooth® system, BMW Ultimate Service also includes a four-year, unlimited mileage subscription to the BMW Assist Safety Plan™, at no additional charge. Among the features is TeleService, a benefit exclusive to BMW, which allows your vehicle to contact your BMW center directly when it needs service or maintenance.

*Based on \$0 cost for the BMW Maintenance Program. Certain limitations and exclusions apply to this program; please refer to your Service and Warranty Information booklet for coverage, terms and conditions.

All new BMW vehicles come with the New Vehicle Limited Warranty and BMW Maintenance Program standard for the first 4 years or 50,000 miles, whichever occurs first. Roadside Assistance comes standard for the first 4 years. BMW Assist Safety Plan comes standard for the first 4 years on every MY 2007 and later 5 Series, 6 Series, and 7 Series vehicle, and is available as an option or with the Premium Package on all other models. TeleService is available on all 2007 and later models with BMW Assist except for the Z4 and X3.

**Maintenance cost for competitive vehicles for the first 4 years/50,000 miles was provided by Edmunds.com and is Edmunds.com's estimate of the average national maintenance cost for a representative style for each model for the 2007 model year as of 05-18-2007. Actual costs will vary. Please visit Edmunds.com to learn more

Owner Benefits

Enjoy added safety, security and convenience with BMW Assist™ services.

With BMW Assist™, you have a direct connection to the BMW Assist Response Center, any time, day or night. If you're in an accident, need roadside assistance or have a customer service question, just push a button from within your vehicle to speak with a response specialist. If you're in a serious accident, crash sensors will trigger the system for you. And, if your car is stolen, you can access stolen vehicle recovery services by phone.

In addition, BMW Assist™ includes:

- **TeleService,** an exclusive BMW feature that allows your car to communicate its service needs directly to your preferred BMW Center.
- **Bluetooth® Hands-Free Calling,** which links a compatible Bluetooth® enabled mobile phone to your vehicle for hands-free calling. You can make and answer calls, and browse and select phonebook contacts using steering wheel controls, radio keys or voice commands.

Owner Benefits

Holds its value like it holds a corner.

Let's face it: A new car is a major investment. As with any investment, you want to make sure you're getting the best return

possible. Mile for mile. Dollar for dollar. But when the average car loses much of its value in just the first three years, you need to take a hard look at a car's residual value in considering its overall cost. Fortunately, BMW has been recognized for its strong residual value by multiple major independent organizations, in fact:

Kelley Blue Book named the 2007 BMW 5 Series the winner of the Luxury Vehicle category in the Kelley Blue Book 2007 "Best Resale Value Awards" and the 2007 5 Series an "Overall Top 10" leader in projected resale value.*

This isn't the first time BMW received such recognition. Kelley Blue Book has awarded BMW over ten Best Resale Value awards since they were first established in 2003, and this is the second set of wins in the Luxury Vehicle and Overall Top 10 categories in the past three years.

*For more information, go to Kelley Blue Book's kbb.com

Standard Features

Performance and efficiency

- 3.0-liter dual overhead cam (DOHC), 24-valve inline turbocharged 300-hp 6-cylinder engine with TwinPower Turbo technology, piezo fuel injection, and Double-VANOS steplessly variable valve timing
- Electronic throttle control
- 6-speed manual transmission

Handling, ride and braking

- Dynamic Stability Control (DSC), including Brake Fade Compensation, Start-off Assistant, Brake Drying, and Brake Stand-by features, with Dynamic Traction Control (DTC)
- Extensive aluminum componentry, including front suspension components (forged-aluminum lower arms); subframe; steering rack; and brake components
- Aluminum double-pivot spring and strut-type front suspension
- Five-link fully independent rear suspension in lightweight steel
- Front and rear anti-roll (stabilizer) bars
- Twin-tube gas-pressure shock absorbers
- Sport suspension calibration
- 4-wheel ventilated anti-lock disc brakes with Dynamic Brake Control (DBC)

Exterior and aerodynamics

- Star Spoke (Style 264) light alloy wheels, 18 x 7.5 front, 18 x 8.5 rear; 215/40 front, 245/35 rear run-flat¹ performance tires^{2, 3}
- Xenon Adaptive Headlights with auto-leveling, and Cornering Lights
- High-intensity headlight washers
- Heated dual power mirrors and heated windshield washer jets
- Black chrome-plated exhaust tips
- Gray-band windshield
- Rear spoiler
- Aerodynamic kit
- Chrome-line exterior trim

Interior seating and trim

- 8-way adjustable front seats, including 2-way headrests
- Manual height adjustment for front passenger seat
- Leatherette upholstery
- Gray Poplar Wood trim
- Split fold-down rear seats

Comfort and convenience

- Engine Start/Stop button
- 2-way power glass moonroof with "one-touch" operation and sliding interior sunshade
- Automatic climate control includes micro-filter, automatic air recirculation, left/right temperature control, MAX A/C, heat at rest, and recall of individual user settings
- Front-door storage compartments
- Front-seat center armrest
- Front-seat cupholders
- Tilt/telescopic steering-wheel column
- Power front windows with "one-touch" up/down operation
- Cruise Control
- Rain-sensing windshield wipers and Automatic headlight control

Instrumentation and controls

- 3-spoke leather-wrapped multi-function sport steering wheel with audio and hands-free phone controls (if so equipped)
- Service Interval Indicator with miles-to-service readout
- Check Control vehicle monitor system with pictogram display, oil status display, and Condition Based Service indicator
- Tire Pressure Monitor
- On-board computer with Check Control provides feedback on the vehicle's operating status: oil level indicator and distance to next service appointment/oil change, as well as other detailed information, such as spark plug and micro-filter status. It also provides travel information travel range on remaining fuel, external temperature, and more

Audio system

- Anti-theft AM/FM stereo CD/MP3 player audio system with Radio Data System (RDS)
- Auxiliary audio input for portable music players located in the center armrest
- HD Radio™ with "multicast" FM station reception

Safety and security

- Anti-lock braking system (ABS)
- Adaptive Brake Lights
- BMW's Advanced Safety System for integrated deployment of passive and active safety systems
- Front and rear Head Protection System (HPS)
- Driver's and passenger's front airbag supplemental restraint system (SRS) with advanced technology: dual-threshold, dual-stage deployment; and front-passenger seat sensors designed to prevent unnecessary airbag deployment
- Front passenger seat-occupation recognition with Passenger's Airbag Off indicator
- Automatic safety-belt pretensioners at front seating positions
- Front-seat-mounted front side-impact airbags
- Interlocking door anchoring system to help protect against door intrusion in side impacts
- Central locking system with center console switch (leaves gas filler door unlocked), double-lock feature and 2-step unlocking
- Coded Driveaway Protection
- Automatic-locking retractors (ALR) on all passenger-seat safety belts for installation of child-restraint seat
- LATCH attachments for child-restraint safety installation in rear seats
- Crash sensor that activates Battery Safety Terminal disconnect of alternator, fuel pump and starter from battery; automatically unlocks doors, and turns on hazard and interior lights
- Programmable Daytime Running Lights

BMW Services

- BMW Ultimate Service™ (for complete details on BMW Ultimate Service, visit bmwusa.com/ultimateservice)

- 1 Run-flat tires do not come equipped with spare tire and wheel.
- 2 Performance tires are not recommended for driving in snow and ice.
- 3 Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages.
