

Important information.

Please take particular note of the following information before your visit to the BMW Regensburg Plant.

The maximum group size is 30 persons.

The tour is planned according to the number of persons you have registered. Please note that the tour is held for the registered number of visitors only. Please inform our service center in case the number of participants has changed. If the group consists of more than 30 persons, the group will be divided. Tours for single visitors take place at fixed dates in mixed groups of up to 30 persons.

Minimum age 4 years.

The required minimum age to participate in a guided tour is 4 years. Please note that small children might feel uncomfortable in certain production areas due to background noise. Children under the age of 8 have to be accompanied by an adult each. One supervisor is required for two children between 9 and 13 years of age.

Start of tour.

Please arrive 15 minutes before the start of the guided tour at the meeting point (see directions). Delays can only be made up to a certain extent, as the plant tour is linked with production cycles. Please inform our visitor centre as soon as possible in case of a delay.

No animals.

Visitors are not allowed to take along pets or animals of any kind.

Parking.

Parking for buses and cars is available close by at the visitor parking area at Tor 2 (see directions).

Duration and Distance.

As a rule, plant tours last for about 2.5 hours and lead through different production and outside areas. The distance covered is up to 3.5 kilometers. We recommend weatherproof clothing (umbrellas when necessary) and comfortable shoes.

Handicapped persons.

The regular plant tour includes the climbing of stairs. Please inform our service centre if members of your group are handicapped.

Persons with Pacemakers/Insulin Pumps.

Persons with pacemakers or insulin pumps are not allowed to enter the body shop. Please inform your tour guide in advance if you are using such a device.

Safety.

You are visiting a production plant during its production process. You enter the area at your own risk. Follow the instructions of your tour guide at all times. Do not leave your group or the visitor's path.

No Photos, no Filming.

Visitors are not allowed to take pictures or shoot films. Cameras and mobile phones should not be used and can be placed in lockers.

Catering.

You will receive a beverage after the tour. You are not allowed to bring along or consume other drinks or food.

No smoking.

Smoking is only allowed in specially designated areas. Smoking is prohibited during the guided tour.

Important information.

Please note that third parties are not allowed to promote our guided tours commercially.

Lifestyle Shop.

You will receive a voucher for our Lifestyle Shop during the guided tour. The shop is open from 8 am to 4 pm. Please note that we accept credit cards and cash cards only.
